More Bridges Needed for New Roads

The State Highway Department is advertising for bids for the building of ten miles of State road from Stone Jug to the Adams-York county line. M. Bennett & Sons have about one mile to complete of the same road from near Gettysburg to Stone Jug. The part of the same road in York county is under contract and it looks as though the end of 1920 will see the finish of the magnificent highway 18 feet wide from Gettysburg to Harrisburg.

District Engineer Geo. C. Crawford with Wm. B. Flemming, appeared before the County Commissioners on Tuesday, asking consideration for the bridges on the state road over Conewago Creek near Heidlersburg, over Bermudian Creek near York Springs, and over Latimore Creek north of York Springs, and also over Marsh Creek at Greenmount and Middle Creek near Emmitsburg. The request as to the latter two bridges is in line with the announced policy of State Highway Commissioner to build the National Highway through Gettysburg to the Maryland line and early letting of this road can be expected.

The Commissioners have announced no decision. This is an age requiring new bridges with the new roads and counties will have to be equal to the requirements of the age and the financing of the same.

Couldn't Crank His Lizzie.

You have often heard of all kinds of cars going dead for no particular reason, but did you ever hear of such a thing happening to an engine on a W. M. R. R. railroad track. Well, that is what happened on Tuesday morning to an engine in New Oxford. As it was told, it went "dead" with the down train on the one side and the up train on the other and it stayed dead for 30 minutes, could not be made to go, could not be cranked, so everybody had to sit still at the stalling which meant missing every connection at York and Highfield. What efficiency! This incident followed a few days after the W. M. R. R. had obtained the press publicity of soon forming part of one of the largest systems in the country, from tide-water to the Great Lakes. Of course that means after railroad management has prevented Government management from being a success why then comes the next thing. The Government never had a chance to make good when railroads blocked the game. And the engineer couldn't crank his Lizzie.

Mr. Howard has been a Chautauqua and Lyceum speaker of national reputation for the past twenty years, discussing current, patriotic and reform topics, but perhaps his most fascinating lecture is the one entitled, "A Joy Ride to the Grave of John Barleycorn," which is said to be both soul-stirring and mirth provoking and most appropriate for obsequies to be held Sunday evening. This is a community affair under the auspices of St. Courageous W. C. T. U. and the public is invited.

Beware of the Apple Boom.

Dr. S. W. Fletcher, head of the Department of Horticulture at State College in speaking this week at one of the farmers' meeting at Harrisburg said:

"I look for many people to set out apple orchards next spring in the expectation that these high prices will continue. The fact that prices are high to-day, however, is no sign that they will be high twelve years hence. The moral is plain—be conservative in apple planting. There is room for very considerable extension of conservative apple planting in Pennsylvania, especially for supplying our numerous local markets; but there is no room for the speculative planting that usually develops in 'boom' time."

College Students Take Straw Vote.

Last week a straw vote of the faculties and students of American colleges and universities were taken on ratification of Treaty and League of Peace, with following result: Of the 18,073 votes taken 61,494 were in favor of a compromise to permit immediate ratification, 48,232 in favor of treaty without change, 27,970 for the Lodge program, 13,043 for killing treaty and league, and 6,449 for a new treaty in other words less than one-tenth favored DeRoh, less than one-fifth favored Lodge. Wilson's view outclassed both Lodge and DeRoh, and nine-tenths were in favor of ratification in some form and seven-tenths for a League more virile than the Foreign Relation Committee of the U. S. Senate would have it. In Gettysburg College 74 were in favor of any compromise to permit ratification, 35 for the Lodge reservation, and 27 against ratification in any form.

BOROUGH DEBT ELECTION.

The election of Feb. 3 is less than two weeks off to decide whether Gettysburg shall be bonded for a debt of \$35,000 for first class permanent streets and \$20,000 for light plant. The ballots will be so worded as to be answered Yes or No and the answer is made by the voter with an X opposite the Yes or No.

The light question deserves a No because it presents nothing but an experiment. No data is at hand to show exact cost of a plant, building to be erected, poles, lines to be built, wires to be strung, cost of maintenance, coal and labor and there is no guide by which the voters can reach a conclusion whether the sum named would be sufficient and whether a year's experience would not show that the light had cost many thousands of dollars more than the borough had to spend. With a town \$36,000 in debt it is not right to make experiments.

The road proposition is no experiment. For years street repairing has simply been a waste. Much more than the interest on the proposed bonds is annually wasted upon the streets. The kind of a road proposed to be built is no experiment. The State has a seven mile section on which but \$35 repairs has been made in seven years. The bonds will make the main streets a permanent improvement upon which it will not be necessary annually to pour money. There is not a voter in the town able to think who is not heartily ashamed of the condition of the streets of the town. The travelers each year bring and spend more than it will cost to build these permanent streets. Paved streets will not only give the town an up-to-date appearance and comfort, but will help to keep down the dust troubles, adding to the sanitation and health of the community. There will not be a building along any of the streets but will sell for as much more as the cost to be assessed against any property, so that property owners will eventually get back all they spend for the streets and more. Not a single reason has been heard against the street bond issue. Every reason and the welfare of the town advises the town to answer the road question with a Yes.

—E. S. Kelly, York street, has sold his farm in Straban township to Orville Riley for \$7,000.

—B. Shmukler, Hanover street, has purchased from the estate of the late W. T. Ziegler the large brick building on N. Washington street which he operates the Gettysburg Shirt Factory.

Shoes Wear Longer

When you walk in comfort, so do stockings. A package of Allen's Foot-Ease, the antiseptic powder to shake into the shoes, gives you that "old shoe" comfort. Allen's Foot-Ease stops the pain of bunions, corns and callouses, and makes tight or new shoes feel easy.

GOOD BACKS FOR BAD.

Gettysburg Residents Are Learning How to Exchange the Old Back For a Stronger One.

Does your back ache, feel weak and painful? Do you suffer headaches, languor and depression? Is the urine discolored, passages irregular? The kidneys may be calling for help.

Weak kidneys cannot do their work. Give them the help they need. To cure a kidney backache you must cure the kidneys.

Use a tested and proven kidney remedy.

Doan's Kidney Pills have stood the test.

Convincing proof of merit in Gettysburg endorsement:

H. H. Ridinger, 247 W. Middle St., says: "Kidney disorder, in all probability, brought on by heavy lifting had me in a bad way at one time. Sharp pains took me across the small of my back and at night, it was so painful I frequently had to get up and sit in a chair. My kidneys became weakened and acted irregularly. I bought Doan's Kidney Pills at the People's Drug Store and they gave me good benefit. I always keep Doan's on hand in case of necessity."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ridinger had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Fell From Wagon.

Michael Myers, aged about 70 years, a retired farmer, of near Abbotstown, sustained a dislocated shoulder blade, when the horse which he was driving slipped and fell dragging Mr. Myers from the seat of the wagon to the ground. The accident occurred in front of Samuel Diehl's warehouse, Abbotstown, on Tuesday. The man was taken to his home and Dr. Edgar A. Miller, East Berlin, and Dr. T. C. Miller, Abbotstown, were summoned and set the displaced shoulder.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, it takes internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

Hall's Family Pills for constipation.

The Eagle Hotel, McSherrystown, which was formerly conducted by Sebastian S. Weaver, will be converted into a double dwelling.

Taking baby up at night is often the cause of bad colds. Use Dr. Fahrney's Teething Syrup and stay in bed. 25cts.

Mrs. A. I. Warren, of North Stratton street, fell in her home Saturday and fractured her left leg, tearing the tissues from the bones.

In East Berlin vehicles of any sort are not allowed to stand on the main street within 50 feet of Centre Square longer than five minutes. Hitching posts are also forbidden within the same area.

When baby suffers with croup, apply and give Dr. Thomas Eclectic Oil at once. Safe for children. A little goes a long way. 30c. and 60c. at all drug stores.

John Michael Pappadakis, Mr. Joy township, has filed in the Prothonotary's office a declaration of intention to become a citizen of the United States. He is from Kranidion, Greece.

Impure blood runs you down—makes you an easy victim for disease. For pure blood and sound digestion—Burdock Blood Bitters. At all drug stores. Price \$1.25.

Officers have been placed by R. B. Myers, near Arendtsville, for a modern flour mill, with a capacity of fifty barrels a day, to be erected on the site occupied by the mill destroyed by fire several months ago. The debris has been cleared away and work of cutting the timber for the new mill has been started.

For regular action of the bowels: easy, natural movements, relief of constipation, try Doan's Regulax. 30c. at all stores.

Miss Mary Jeffcote, of near Gettysburg, who was nursing a patient in the home of Henry Lawrence above Mt. Rock, suffered a broken collar bone Monday as the result of a fall down the cellar steps.

Only a Cold.

Are you ill? Is often answered—"Oh! it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to throw it off. People's Drug Store.

Dr. Fahrney's Teething Syrup is the best remedy for any sickness baby gets, no matter how young or how old. Try it.

Adam Kimmel, of Bermudian, who had been at the Harrisburg Hospital where he underwent an operation for appendicitis and abscess of liver, has returned home greatly improved.

Doctor Tells How to Detect Harmful Effects of Tobacco

Try These SIMPLE TESTS

New York: Doctor Connor, formerly of Johns Hopkins hospital, says: Many men who smoke, chew or snuff incessantly and who are seemingly healthy are suffering from progressive organic ailments. Thousands of them would never have been afflicted had it not been for the use of tobacco, and thousands would soon get well if they would only stop the use of tobacco. The chief habit-forming principle of tobacco is nicotine, a deadly poison which, when absorbed by the system, slowly affects the nerves, membranes, tissues and vital organs of the body. The harmful effect of tobacco varies and depends on circumstances. One will be afflicted with general debility, others with catarrh of the throat, indigestion, constipation, extreme nervousness, sleeplessness, loss of memory, lack of will power, mental confusion, etc. Others may suffer from heart disease, bronchial trouble, hardening of the arteries, tuberculosis, blindness or even cancer or the common affliction known as tobacco heart. If you use tobacco in any form you can easily detect the harmful effects by making the following simple tests. Read aloud one full page from a book. If, in the course of reading your voice becomes muffled, hoarse and indistinct, and you must frequently clear your throat, the chances are that your throat is affected by catarrh and it may be the beginning of more serious trouble. Next, in the morn-

ing before taking your usual smoke, walk up three flights of stairs at a regular pace, then stop. If you find that you are out of breath, your heart beat is forced, trembling or irregular you may be a victim of functional or organic heart trouble. If you feel that you must smoke, chew or snuff to quiet your nerves, you are a slave to the tobacco habit, and are positively poisoning yourself with the deadly drug, nicotine. In either case you have just two alternatives—keep on with the self-poisoning process irrespective of the dangers and suffer the consequences, or give up the habit and escape the dangers. You can overcome the craving and stop the habit in a very short time by using the following inexpensive formula. Go to any drug store and ask for Nicotol tablets, take one tablet after each meal, and in a comparatively short time you will have no desire for tobacco; the craving will have left you. With the nicotine poison out of your system your general health will quickly improve.

Note—When asked about Nicotol tablets, one of our leading druggists said: "It is truly a wonderful remedy for the tobacco habit; away ahead of anything we have ever sold before. We are authorized by the manufacturers to refund the money to every dissatisfied customer, and we would not permit the use of our name unless the remedy possessed unusual merit." Nicotol is sold by druggists everywhere, under an iron-clad money-back guarantee. Your druggist has it or can get it for you from any wholesale druggist.

Don't Treat Kidneys Rough, Warns Dr. Carey, Specialist

Constant Flushing May Injure the
Delicate Organism and Seldom
Removes the Poisonous Deposits.

Now that Dr. Carey, kidney and bladder specialist, has retired from active practice, he generously warns people that even the smallest symptoms of kidney trouble should have serious attention.

Backache, for instance, puffiness under or specks floating before the eyes, heavy feet and dry skin, are also danger signals.

Thousands die yearly because they neglect their kidneys," says Dr. Carey, "and I feel upon retiring that I should tell all who even suspect kidney or bladder trouble about my prescription, Marshroot, which, during my active practice, has cured thousands of all kinds of kidney ailments."

This prescription has been given to pharmacists generally throughout America and is dispensed by them under the name Dr. Carey's Marshroot, a name that every sufferer from kidney trouble should remember. People's Drug Store can supply you

Gettysburg, Pa.

Semi-Annual Clearance For INVENTORY

Ladies Coats and Suits Furs, Skirts and Dresses

Prices reduced from a rising market that have been under the market right along

Furs, Suits & Coats were advertised to sell at \$100.00 and over in many stores but not in ours—although we had the \$100.00 kind and over. We refused to sell goods at these exorbitant figures—it cost us profits that we should have had, but it established us more firmly in the minds of those who could or would have paid us the higher prices. We have gone through our stock several times in the past month or six weeks and made some drastic cuts in prices—but in order to make a quicker get-away with stock reduction we are going to offer an additional 10 per cent. discount on all Furs, Coats, Suits, Skirts and Dresses—that is 10 per cent. less than the former marked down price—which means that you can buy these goods on a rising market—at the discount of ten per cent on a mark down sale. Astounding—when there is no possible indication that prices will remain in first hands as low as they are today—but—we are merchants, not speculators.

This sale includes every garment from Tot size up—but does not include entire stock of Silk & Lingerie Waists—or any other entire stock—but every stock in the Ready-to-Wear department will contribute many items to the general clearance sale.

NOTICE.

Notice is hereby given that a return sale has been made to the Orphans' Court of Adams County, Pa., by J. A. Tawney, administrator of the estate of Edgar C. Tawney, late of Borough of Gettysburg, Adams county, Pa., deceased, praying for an order to confirm private sale for the purpose of the payment of the debts of said decedent, all that lot of ground situated in the Borough of Gettysburg, Adams county, Pa., bounded and described as follows: Fronting 30 feet on West Middle street, adjoining lots of Mary Tawney on west and J. A. Tawney on east and running back to a public alley improved with brick dwelling house and stable, to David A. Tanager for the price or sum of \$4550.

That said court has fixed Monday, March 1st, 1920, at 10.30 o'clock A. M. as the day and time for hearing said return of sale and authorizing and confirming said sale, at which time any creditors of said decedent or party interested as heir, devisee, or intending purchaser may appear and object to such private sale on account of insufficiency of price and if such objection be sustained may offer to give or pay a substantial increase for such property or object to such sale on any legal or equitable ground.

J. R. HARTMAN, Clerk of Orphans' Court of Adams County.
 Wm. Arch. McClean, Atty. for Estate.

So Many Men Have Been Buying FLANNEL SHIRTS

This winter, that we found we were not going to have enough. The prices we found were very high on shirts having any sort of real worth. One of our factories, however, offered us some of their salesmen's samples, and we bought 100 of them. These goods would have sold from \$2.75 to \$6.00 if bought in the regular way. There are only two or three shirts of a kind, khaki, blue, red, gray, brown, etc., and we have sorted them into three lots—\$2.48, \$2.98, \$3.48—for quick sale. All sizes, 14-1 to 16-1-2. The earlier you come, the better the picking.

ECKERT'S STORE

"ON THE SQUARE"

P. S. Recently we said "Allrubber goods will advance Jan. 1st." We should have said the Wholesale Price will advance Jan. 1st. Until we are forced to buy at the new prices (this won't be long however) we will continue to sell at the old prices.
